Notice

10th February, 2015

Dear Parents,

School Uniform Recycling Project

In order to enhance our students' understanding of environmental protection and to assist students with financial difficulties, our Association has organized a School Uniform Recycling Project. We invite all students who do not need their school uniforms or will graduate soon to donate them.

If you have any used uniforms, please wash them and drop them off at the School Office during office hours. We are thankful for your support, as this is a great help for some families.

Please complete and return the reply slip to us **on or before 13th February, 2015** (to be submitted by the eldest child if applicable). If you have any enquiries, please feel free to contact your class teacher at 2577-5188.
