Dear Parents,

**Online Survey on the Native English-speaking Teacher Scheme
in Primary Schools**

Our school has been selected to take part in a territory-wide evaluation of the Native English-speaking Teacher Scheme in Primary Schools (PNET Scheme) conducted by a team of overseas and local researchers. This is an important evaluation commissioned by the Education Bureau of Hong Kong and we would like to have your support in completing an online survey between March 18 and 31 as part of the evaluation. Please go to: <http://creative-wisdom.com/survey.html>, enter the code: **980** and follow the directions there to complete the survey. Please do NOT share the link or code with anyone else.

The researchers have stated that the information collected through the survey will be kept in the strictest confidence and used solely for the purpose of evaluating the Scheme. Please rest assured that, except for the child's year level and school code known only to the research team, you will not be identified.

For any enquiries, please contact Ms Tang Pui Yee at 2577-5188.
