

5 PROJECT LEARNING DAY

The Project Learning Day was held in January 2023, and was a resounding success. The event saw enthusiastic participation from students across all grade levels. The activities were designed to provide a well-rounded learning experience, encompassing observation, exploration of materials, and a deeper understanding of our local community in Tai Hang. The highlight was the students' presentations, which included engaging experiments that showcased their newfound knowledge and problem-solving skills. The Project Learning Day exemplified the school's unwavering commitment to fostering a love for learning and empowering students to become active, curious, and collaborative learners.

1 SPORTS DAY 2024

Students and parents enjoyed the day very much. All competitions and games were very exciting and competitive. Students had put in a lot of hard work and preparation for the cheering competition. The student-teacher relay race was also fun and exciting. Students, parents and teachers left the stadium full of joy and happiness. We are already looking forward to the 2025 Sports Day.

## 2 FIRST TERM SPEECH DAY

The 2023-2024 First Term Speech Day was held on 29th January, 2024. P1-P6 Academic Awards and Good Conduct Awards were awarded on the same day. Congratulations to all the winners.

## 3 EXTRA-CURRICULAR ACTIVITIES

The students of LSTHS were highly engaged in the activities organized by the school. These included after-school activities, multiple intelligence activities, and sports events co-organized with NGOs. When participating in these activities, students showed great enthusiasm and dedication. By participating in these activities, students not only got to engage in activities they enjoy but also had the opportunity to make new friends, experience the local culture, and foster integration among different ethnic groups.

## 4 UAP CAMP

The Challenge Day camp and overnight camp activities for P.4-P.6 UAP for students have been successfully completed. The students enjoyed the activities, and enhanced their resilience through the experiences and knowledge gained.
