

CHRISTMAS CELEBRATION 2025

Students had a wonderful time playing competitive games and participating in Christmas customs in the hall during the Christmas Celebration. You could feel their happiness through the smiles on their faces. We are all looking forward to the Christmas Celebration next year!

FIELD TRIP 2025

The weather was absolutely delightful on the Field Trip day of 2025, and students and parents had a fantastic time enjoying a wide range of indoor activities at Po Leung Kuk Tai Tong Holiday Camp! Students took part in rock climbing, video games, handicrafts, archery, and cycling. The highlight of the day was the exciting inter-class games session during the whole-school activities, where students teamed up with their parents to play games. All students left the camp site brimming with joy and happiness. We can't wait for next year's Field Trip in 2026

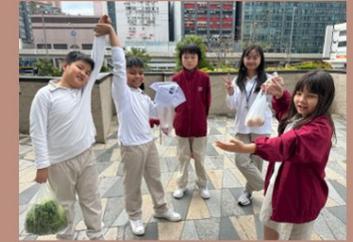

SEMINAR FOR PARENTS: 'SECONDARY SCHOOL PLACES ALLOCATION'

A seminar titled "Preparing for Secondary School" was held for our P.5 and P.6 parents on 29th November, 2025. The primary aim was to provide parents with essential information about Hong Kong's Secondary School Places Allocation System and the Discretionary Place application procedure. On the same day, there was also a session on "National Education: Space Security," providing parents with insights into China's developments and strategies in space security.
