# Li Sing Tai Hang School

Vol.10 | 2014 Jan Edition

LI SING TAI HANG NEWSLETTER

Li Sing Tai Hang School is committed to the achievement of academic excellence and is characterized by its dual-language program in Chinese and English. Other than a school-based curriculum, we also strive to broaden our students' horizons. Various in-school activities such as a Christmas party and a school picnic are organized in order to enrich students' school life. Outside the school, our students are often invited to perform at different functions. The performances not only provide a chance for them to showcase their talents, but also to maximize their potential and promote their growth. Students enjoy learning both inside and outside our multi-cultural school environment.
